Governments and utilities in Canada need to make decisions over how to supply growing electricity demand for consumers while lowering emissions.  
One option is to invest heavily in electricity technologies like wind, solar and hydro with storage options ensuring a reliable transition to a 100% renewable electricity system by 2035.

To what extent do you think this energy transition will...

**bet\_car**  
Over the next twelve months, how likely or unlikely are you to do each of the following things:  
Eat a more plant-based diet

Column %	Total	Language						Gender			Age group			Education						Province				Parent/Legal guardian				Financial situation				Federal vote choice			
		French	English	Other	Male	Female	Other	18-34	35-54	55+	Less than high school	High school grad	Some college or technical school																						

bet\_m9

Over the next twelve months, how likely or unlikely are you to do each of the following things:  
Contact a public official demanding more action on climate change

Table with columns: Language, Gender, Age group, Education, Province, Parent/Legal guardian, BIPOC, Financial situation, Federal vote choice. Rows include Column %, Weighted Total, Unweighted Total, Very unlikely, Unlikely, Neither likely nor unlikely, Likely, Very likely, and Already doing this.

bet\_vot

Over the next twelve months, how likely or unlikely are you to do each of the following things:  
Vote for a political party or politician promising stricter climate policy

Table with columns: Language, Gender, Age group, Education, Province, Parent/Legal guardian, BIPOC, Financial situation, Federal vote choice. Rows include Column %, Weighted Total, Unweighted Total, Very unlikely, Unlikely, Neither likely nor unlikely, Likely, Very likely, and Already doing this.

bet\_campaign

Base = 964  
Over the next twelve months, how likely or unlikely are you to do each of the following things:  
Join a citizen's campaign to convince leaders in Canada to take action to reduce climate change

Table with columns: Language, Gender, Age group, Education, Province, Parent/Legal guardian, BIPOC, Financial situation, Federal vote choice. Rows include Column %, Weighted Total, Unweighted Total, Very unlikely, Unlikely, Neither likely nor unlikely, Likely, Very likely, and Already doing this.

bet\_assembly

Base = 896  
Over the next twelve months, how likely or unlikely are you to do each of the following things:  
Join a citizen's assembly to participate in government decision-making on what to do about climate change

Table with columns: Language, Gender, Age group, Education, Province, Parent/Legal guardian, BIPOC, Financial situation, Federal vote choice. Rows include Column %, Weighted Total, Unweighted Total, Very unlikely, Unlikely, Neither likely nor unlikely, Likely, Very likely, and Already doing this.

mis\_cold

Base = 537  
To the best of your knowledge, how accurate are the claims in each of the following statements?  
Because Canada is a cold country, the impacts of climate change will be positive.

Table with columns: Language, Gender, Age group, Education, Province, Parent/Legal guardian, BIPOC, Financial situation, Federal vote choice. Rows include Column %, Weighted Total, Unweighted Total, Completely false, Mostly false, Moderately false, Mostly true, Completely true, and Not sure.

mis\_hide

Base = 1600  
To the best of your knowledge, how accurate are the claims in each of the following statements?  
Oil companies have hidden evidence of human-caused climate change since the 1970s.

Table with columns: Language, Gender, Age group, Education, Province, Parent/Legal guardian, BIPOC, Financial situation, Federal vote choice. Rows include Column %, Weighted Total, Unweighted Total, Completely false, Mostly false, Moderately false, Mostly true, Completely true, and Not sure.

mis\_indus by BANNER

Base = 550  
To the best of your knowledge, how accurate are the claims in each of the following statements?  
You cannot power an industrial economy with renewable energy alone

Table with columns: Language, Gender, Age group, Education, Province, Parent/Legal guardian, BIPOC, Financial situation, Federal vote choice. Rows include Column %, Weighted Total, Unweighted Total, Completely false, Mostly false, Moderately false, Mostly true, Completely true, and Not sure.
